Gary,

I am waiting n Veolia and Lonestar to verify weights on a couple of wastestreams. Once I have that information I can send this Summary Sheet for Disposal back over. That one was easy. By the end of tomorrow I should be able to give LeRoy a very good idea on what costs are associated with the wastes that have been identified to date at the site. I would like the three of us to go over that list together to ensure that we aren't missing anything.

Thanks,

**Beth Crawford**
